reputation for quality  
and reliability

# JnB Sounds Originals

## **JACOBS**

*Crafted with passion, tuned for perfection*

- **Designed & Built In-House:** JnB Sound's proprietary line of speakers, woofers, and soundbars combine engineering precision with acoustic artistry.
- **Immersive Experience:** Each product is tuned to deliver crystal-clear highs, powerful mids, and deep, resonant bass.
- **Custom Solutions:** From compact soundbars to high-output woofers, JnB Sound Originals are tailored for homes, and professional installations.
- **Quality You Can Trust:** Built with premium materials, tested rigorously, and backed by decades of expertise in audio innovation.

# JnB Sound Today

*Delivering excellence, one installation at a time*

- End-to-end solutions: manufacturing, distribution, installation
